

At circle time  
we get jobs.

There are many different  
jobs.

We take turns  
the jobs.

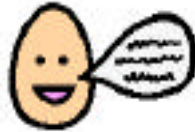

Sometimes I like my job  
and I am happy.

Sometimes I do not like  
my job and I am upset

When I want a different job  
I could say,

"I want a different job  
tomorrow."

"It's O.K.  I'll do it."

"I will have a different job  
tomorrow."

"My teacher  will give  
me a different job  
tomorrow."

It is O.K.  when I do  
not get the job I want. We  
take turns.  I will get  
the job I want someday.
